## Like a Well-Oiled Machine

Your SCTC Board of Directors has been working, learning and innovating like crazy since the start of 2009, and I'm excited to report that SCTC is humming and whirring like a well-oiled machine!

### New Stuff!

If you have not jumped in to try out our 5 different **Ladders** available this year, don't wait - try them out! I have and can report they are lots of fun and a piece of cake to work with!

**Jeff Peterson**  
SCTC President

Have you taken advantage of our twice per month **Adult Coached Clinics** (1st and 3rd Thursday at Arguello, for only \$5) with our very own 6.0 Coach Aaron Elbert? These are terrific opportunities for everything from tweaking a weak spot in your game ... to building up your game from scratch!

Have your kids, or your friends and neighbors kids, come along to try out Aaron Elbert's twice per week **Top Performance Tennis Academy Junior Clinics** (Mondays and Wednesdays at Arguello)? This is a remarkable opportunity for kids to build up their skills,

fitness, sportsmanship and self-confidence on the way to becoming a respected competitor! These TPTA junior clinics are open to the public, and are getting rave reviews!

In community service, SCTC now provides **Friday Freebies** public lighting at Highlands on Friday nights until 9 PM! It's a great way to break away from your week at work, and launch your weekend with friends, fun and exercise! In addition, SCTC recently bought **6 New Tennis Nets**, and SC Parks & Rec and Arundel School have already replaced the nets on Courts 1&5 at Highlands and on Court 1&3 at Arguello!

SCTC enthusiasm is getting whipped up to new heights by **SCTC Logo Sportswear** now available through a terrific new collaboration with *SportsChoice* (owned by SCTC member Keith Kreig)! Whether for your team's spirit or just for your own enjoyment - everything you need can be found in the SCTC website under Apparel (SCTC Logo)!

### Great Old Stuff!

Our monthly **Tournaments** and **Twilight Doubles** are roaring along as popular as ever this year, and players from 2.5 to 4.5 are eating this fun up! Look for the flyers in the Newsletter or in the website, or email the Directors directly - just don't miss the fun! [CONTINUED ON PAGE 6 >>](#)

# King/Queen of the Court Tournament Recap

The annual and very popular King and Queen of the Tennis Court Tournament was held Saturday April 18 at the prestigious Arguello Tennis Courts. Eighteen loyal subjects participated on a fabulous spring day – very fitting for such a royal tournament. The food was equally grand with Chef Doug making an appearance to prepare the luncheon feast. Velocity Sports was also there the entire day and gave tips on how to get into “tournament shape”. He also presented weekly passes as prizes for the runner-up players.

We are proud to announce and congratulate the reigning Monarchs for this year's tournament - Scott Reid and Janet Tallett! Scott and Janet defeated Bill Schein and Stephanie Meyer in an outstanding and exciting nail-biter final to claim their victory crowns. A grand bottle of wine and a San Carlos Tennis Club sweat-shirt were awarded to the King and Queen.

Other results were as follows:

Third: Jim Staples and Joan Prack

Fourth: Grant Tower and Linda Fitch

Fifth: Lank & Mary Jenny

King and Queen –  
Scott Reid & Janet Tallett

Princess and Prince – Bill  
Schein & Stephanie Meyer

Dukes and Duchesses – Jim Staples and Joan Prack (3rd  
place), Grant Tower and Linda Fitch (4th place)

Loyal subjects get  
their just rewards

# Team Tennis 2009

## What is Team Tennis, you say?

Traditional Team Tennis continues to be a nail-biter between evenly-matched teams. Kathi Williams's team has taken the early lead, winning its first two matches. Jim Schwartz's team vaulted into second place, winning five of six sets in the second round. Rick Green's team has won the most games of all the teams, and is well positioned to make their move. Scott Reid's and Dorothy Benke's teams are close behind, remaining in the hunt for the playoffs. Come on out and cheer your favorite team in Round 3, June 13 at Highlands.

## TRADITIONAL TEAM TENNIS RESULTS • Round 2

	Team Captain	Matches Won	Sets Won	Games Won	Games Lost
1st	Kathi Williams	2	7	68	76
2nd	Jim Schwartz	1	8	76	65
3rd	Rick Green	1	7	79	70
4th	Becky Snow	1	5	75	67
5th	Scott Reid	1	5	70	69
6th	Dorothy Benke	0	4	62	83

## San Carlos Tennis Club Gets Involved

SCTC recently participated at the San Carlos Hometown Days on May 16 – 17. Our booth was designed for junior tennis players, players new to the game, those wanting to learn about the club and YOU. The SCTC and USTA representative David Hong, provided information to those visitors who stopped by the booth. The "fast serve" competition was a big hit. Other activities included "play some points with the pro", and a "get acquainted clinic".

The SCTC is petitioning the city for a 4-acre parcel of land off Crestview Dr. This would bring 12 more courts to San Carlos for fun, competition and recreation. SCTC will help organize and support resources and fund-raising through USTA, SCP&R Foundation and other institutions and donors. If you are in support of this effort, please contact me at [pr@sancarlostennis.com](mailto:pr@sancarlostennis.com) to sign a petition strengthening our cause. The more signatures the better impact we will have.

As the new public relations director/court coordinator, I hope to maintain an informative and conclusive calendar at all tennis facilities and online. These calendars will include all tennis activities and court washing times so that the public and the club members will know when the courts have been reserved. The calendars will also include dates, times and locations for drop in and fun day socials, tournaments, team tennis events and USTA matches. If you see any events that have not been posted on the calendar, please contact me so that I can update the calendar immediately. The calendar is also available online at the SCTC website ([www.sancarlostennis.com](http://www.sancarlostennis.com)).

The lights at Highlands and Arguello are not really a problem as the summer months begin, but the courts are available for rental each quarter. If you are interested in renting the courts, please let me know, the nominal fee will secure you a reserved court each week for several hours. Sign up your team, or your doubles partners.

Happy Volleying,

Barby Pickett, Public Relations Director/Court Coordinator

[pr@sancarlostennis.com](mailto:pr@sancarlostennis.com)

**Traditional and Advanced Team Tennis** leagues are both off to great starts with 1st Round competition already behind us. SCTC members are still being recruited for the Sub List, and 3.5's can enjoy this chance for some great competition with the ATT gang! **USTA Teams** continue to sprout like mushrooms, offering lots of challenging competition and growth for players at every level!

## Pieces and Parts

This well-oiled machine is made up from many working parts (your all volunteer Directors and committee members), who enjoy the camaraderie and satisfaction that comes from working with a great team on a common passion that serves our friends and our community. So many people put such great enthusiasm and effort into creating our successes – and I hope that you will always go out of your way to let them know how much you appreciate them!

This month, I am singling out two Directors for some special attention:

**Vice President John Geer** has the unenviable distinction of being the catch-all switch-hitting player that stepped in to fill critical voids when the USTA Coordinator and Court Coordinator roles needed support, and has juggled these three positions for most of this year ... until last month, when **Public Relations Director Barby Pickett**, still assimilating the considerable challenges of leading SCTC's relationship and efforts with the City, stepped forward to take over the **Court Coordinator** position as well, and give John at least a little relief! In short order, Barby worked with me to completely revamp our calendar system on the website, and to immediately work with the City to take over calendar posting at Highlands and Arguello. We now integrate 5 separate Google calendars into one unified SCTC calendar, but can print and post separate calendars for each court facility.

I'll wrap up by asking for **YOUR** help on a few key Public Relations actions:

The **City of San Carlos** is in a continuing financial crisis and is currently running a very short survey to get inputs on where **spending priorities** should be focused. The tennis community failed to represent itself well in some prior survey work, and we don't want to suffer the consequences of that again!! You DO NOT have to be a resident to participate! Please go to:

[http://www.cityofsancarlos.org/gov/depts/cm/city\\_budget\\_challenges/letter\\_to\\_the\\_community.asp](http://www.cityofsancarlos.org/gov/depts/cm/city_budget_challenges/letter_to_the_community.asp)

And give the City some strong prioritization for:

- maintaining existing tennis facilities
- turning tennis lights back ON at night
- designating their 4-acre unallocated land parcel on Crestview Drive for development of additional tennis facilities.

We are planning some SCTC participation in San Carlos' popular **Hot Harvest Nights** this summer, with similar objectives! We are looking for volunteers to join the fun and to make the events shine for SCTC! Please contact Barby Pickett at: [pr@sancarlostennis.com](mailto:pr@sancarlostennis.com) to discuss your interest, questions and availability!

Thanks for being part of what makes this San Carlos Tennis Club great!

See you soon on the courts!

**Jeff Peterson**, *SCTC President*

# Ladder Update

In the running for the players/team that plays the most matches, for the Men's Singles ladder, we have David Hipshman and Larry Recht as the leaders with 3 matches each. For the Mixed Doubles ladder, we have the team of Jeff Peterson and Melody Chambers as well as their opponents Michael Gonzales and Diana Jew each with one match. Matches have been scheduled in the other ladders, but play has been delayed due to uncooperative weather. More matches to come across all of the other ladders once the weather improves!

## How to Join a Ladder

The ladders are managed at [GlobalTennisNetwork.com](http://GlobalTennisNetwork.com).

- 1) Register with [GlobalTennisNetwork.com](http://GlobalTennisNetwork.com).
- 2) Find the SCTC Ladder you wish to join and sign up for it.
- 3) Contact other players to challenge them and then schedule a convenient match time that works for all players.

Tennis ladder rules can be found on the Ladders page at [SanCarlosTennis.com](http://SanCarlosTennis.com). No partner for the doubles ladders? Let us know and we will try to match you up with another interested player. Remember the SCTC ladders are restricted to SCTC members only!

# SCTC @ Hometown Days

The SCTC hosted a very successful booth at the Hometown Days event over two of the hottest days this year. Record temperatures topped 95 degrees both days. Volunteer's fingers were blistered and sore from knotting and tying 188 SCTC balloons and ribbons. What a beautiful sight to see SCTC balloons attached to strollers, little children's arms and flying high in the sky. Our booth was situated outside the newly paved Burton Park tennis courts. More than 50 parents and aspiring junior tennis players stopped by to meet our Junior program director Aaron Elbert. We encouraged the kids to participate in Aaron's special high performance junior clinics on Monday and Wednesday night at 5:30 – 7:00. What a great opportunity to meet other kids of the same ability!!

The highlight of the afternoon was the exhibition match between two very talented players Jason Pickett and Aaron Elbert. Jason and Aaron played tennis in the over 95 degrees heat to the pleasure of the audience. Of course the spectators were all crowding under the trees and scrambling for the shade while drinking beer and very cold water. The tennis match was narrated in part for junior players who were very curious about the funny scoring called deuce and love. Jason and Aaron were absolute-

ly soaking wet when they finished, but the crowd loved their effort.

The fast serve contest brought many interested contestants to the booth. Have you ever wondered how fast your serve was? Olive Ebert and Barby Pickett's fastest serves were 66 mph. We tried and tried but could not beat our winner Karen Billeci's best at 74 mph. Garth Haynes tried his hardest and broke 100 but could only get his 99 mph serve into the service box. Jeremy Pickett hit a 102 mph serve, and Dale Russell served a very consistent 88 mph but Jason Pickett was our all time winner with a rip roaring snap of 108 mph. Our Sunday winners were Dan Taylor clocking in at 88 mph and 16-year old high school student Ian with a 74 mph serve. Winners won a tee shirt and gift certificates from Swetka's tennis shop in Mountain View.

This event was only successful because of our wonderful volunteers. My deepest and fondest gratitude go out to Dale Russell, Heinz Hofmann, Jan Enzone and Diana Jew for helping on Saturday. Thank you to Dale Russell, Olive Ebert, Marlys Ludlow, Ron Ludlow and Dan Taylor for helping on Sunday.

## Saturday Fast Serve Winners

Jeremy Pickett – 108 mph  
Karen Billeci – 74 mph

## Sunday Fast Serve Winner
